NEW! Red Light Therapy

- Safe & all-natural, non-invasive process that encourages body to produce enzymes, elastin fibers & collagen that support skin's structure
- Repairs damaged skin, relieves joint pain, kills bacteria to fight acne, reduces pore size, fine lines, wrinkles, scars & stretch marks
- Rejuvenessence lamps DO NOT emit UV light, therefore they DO NOT tan you
 - FDA declares red light "non-significant risk" and safe for eyes

OAHU

- 12-minute max. tanning bed
- 16-160 watt & 16-100 watt reflector tanning lamps
- 400 watt facial lamps
- Two body cooling fans
