American Red Cross Lifeguard Training Course

This American Red Cross Lifeguarding Training course is for adults only. A student course is offered over the Christmas/Winter break. The course teaches CPR/AED for the professional rescuer, first aid, professionalism, patron and facility surveillance, rescue techniques, emergency preparedness and more.

PREREQUISITES:

Minimum age of 15 by the last day of the class and pass pre-course swim tests.

PRE-COURSE SWIM TESTS:

1. Be able to swim 300 yards continuously using front crawl and breast stroke using rhythmic breathing.
2. Starting in the shallow water, swim 20 yards using front crawl or breaststroke, surface dive to depth of 7-10 feet, retrieve a 10-pound weight, return to the surface, with weight held with both hands on chest or abdomen, swim 20 yards back to starting point, place weight on deck, exit the water without using a ladder or steps/touching bottom, within 1 minute 40 seconds.
3. Tread water for 2 minutes, using legs only with hands under armpits.

LEARNING OBJECTIVES:

- Understand value of behaving in professional manner
- Learn how to identify behaviors of a swimmer, distressed swimmer and active drowning victim
- Understand components of emergency action plans and how to activate them
- Understand the general procedures for an emergency occurring on land or in water
- Demonstrate how to perform equipment-based water rescues
- Learn how to provide first aid and how to care for breathing and cardiac emergencies
- Learn how to recognize and care for possible head, neck and back injuries

CERTIFICATION REQUIREMENTS:

- Attend all class sessions
- Demonstrate competency in all required skills and activities
- Demonstrate competency in the three final skill scenarios
- Correctly answer at least 80% of the questions in the three sections of the final written exam

Prior to and throughout class, participants need to access the lifeguard manual at
